More about this meeting

This meeting is part of our bi-annual stakeholder meetings on respite and short breaks for carers. This event is suitable for anyone interested in respite or short breaks, be they a carer, provider or someone looking to support family carers in the future.

The purpose of this is a network to share information, learning and opportunities across regions and sectors of Wales. Join us and hear from interesting ideas from across a host of sectors that aim to give a flexibility and choice to family carers in what breaks they can access or receive.

Who are these meetings for?

Anyone who has an interest in respite and short breaks, from families to professionals who want to join a growing network that works across sectors to help support families find or build alternative models of respite that work for them.

How to join?

Register via Zoom by using the link below –
